

## *Some Times in Life*

*Sometimes in life we have joy and pain.*

*Sometimes in life people are geniuses or insane.*

*Sometimes in life people can be mean or nice.*

*Sometimes in life people give bad or good advice.*

*Sometimes in life people are up or down.*

*Sometimes in life people always smile, or frown.*

*Sometimes in life people change bad to good.*

*Sometimes in life people love everybody - what a world  
it would be, if everyone could!*
